How to achieve the Matching Bonus

To have the possibility of receiving the matching bonus, you need to have an active status. To achieve an active status, YOU need to have dtp's or direct commission from dual system in the previous weekly pay period. If your status shows as inactive you are not eligible for the Matching Bonus. Once you become active again, your income from the matching bonus will resume.

Example 1:

YOU are on active status and only one of your downline affiliates received a dual commission in value of €3200. For that commission you receive 5% out of this €3200 = €160.

Example 2:

YOU are on active status and there have been three affiliates who generated dual commission last week. (See chart)

	Affiliate 1	Affiliate 2	Affiliate 3
Pay-out on dual- commission	€3200	€5000	€8000
5% commission	€160	€250	€400
Total commission:		€810
